

Solar Connector Protective Box

Inside dimension

Outer dimension

- Model number: RS-B1
- Rated voltage: up to 2000V
- Suitable cable size: 4mm²&6mm² (10AWG&12AWG)
- Insulation material: PPO Rubber
- Waterproof level: IP68
- Flame resistance: V-0
- Compatibility: for MC4 connector
- Certificates: CE,ROHS,IP68 test
- Application: Fishery Photovoltaic, Marine Station, Sea Solar station
